## APPLICATION / FUNDING

**Welcome to Arizona's Virtual Pharmacy Tech School** we are excited that you have chosen to learn with us. It should take about 7 to 10 business days to finish processing your application. (However, this will be determined on how fast your funding is approved). Please contact Lumion/Meritize, or Arizona at Work (If you're already working with a Career Advisor from Arizona at Work please provide me their contact information.) to go over your funding options in detail. If you have any questions regarding the Pharmacy Technician Program or the application process please send me an email or call the phone number listed below. I will be sending you a copy of your Enrollment Agreement (once you are approved), and any updates throughout the week about your application status. We are a little behind so I apologize for any delay. Someone will be contacting you shortly regarding your school's funding. (However, please use the links below to start now!). Our Pharmacy Tech Courses usually start every two weeks so we will enroll you in the program that's open once your funding is approved. One last thing, I have included a Funding Chart to help you understand our funding options (Lumion/Miashare, Meritize, or WIOA grant).

***Thank you for choosing our Pharmacy Technician Program!***

### WIOA GRANT REQUIREMENTS

#### **Eligibility Requirements for job training grants**

The Workforce Innovation and Opportunity Act (WIOA) funds grants to eligible adults for job skills training. If you're looking to upgrade your skills, we can help find the funding. There are two ways to establish eligibility:

- ❖ **Dislocated worker:** If you've lost a job through no fault of your own (company closure, laid off, military spouse relocation), you can qualify. Your prior income has no bearing on your eligibility if you're a dislocated worker.
- ❖ **Adult income-eligible:** If your household income is less than 250% of the Federal Poverty Level (chart below), you may qualify to have your training funded through WIOA.

#### **1. Dislocated Worker Program**

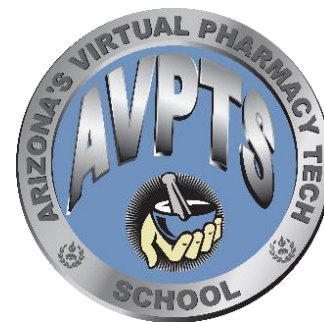

If you meet dislocated worker criteria, please provide documents for one of the following:

- ❖ Verification of Unemployment Insurance and Dislocated Worker Status Termination Letter from employer, news media regarding approval to receive Unemployment Insurance Compensation.
- ❖ Verification of business closure due to current economic conditions or natural disaster – Business License, Bankruptcy documents, Tax Returns, Bank Statements, etc.
- ❖ Verification of Displaced Homemaker status – Divorce/Separation papers, widowed, death certificate or incarcerated spouse documents proving that you have totally relied on the other family member's income by 50% or more and have not worked during the cohabitation/marital relationship, etc.
- ❖ Verification that you are the spouse of a member of the Armed Forces on active duty and have experienced loss of employment as a direct result of relocation to accommodate a permanent change in duty station. – Pay stub from previous employer and active duty document.
- ❖ Verification that you are the spouse of a member of the Armed Forces on active duty and who is unemployed or underemployed and is experiencing difficulty in obtaining or upgrading employment. – Pay stub from previous/current employer and active duty document.
- ❖ To qualify for funded job training, you must either qualify as a dislocated worker OR meet the income requirements in the Adult Program.
- ❖ Verification that you are a returning Veteran within the last 48 months.
